Muhammad Arslan, Backend Developer

Lahore, Pakistan, (+92) 330 2430 695, arslanstack@gmail.com, github.com/arslanstack

---

PROFILE

A novice PHP developer with a strong foundation in web development and a passion for creating high-quality, scalable, and, user-friendly web applications. Proficient in all stages of web development, including development, deployment, testing, and maintenance. Adept at working with a variety of front-end and back-end technologies. Committed to staying up-to-date with the latest advancements in web development and eager to continuously learn and grow as a developer. Ability to self-manage and thrive in both independent and team-based projects.

EMPLOYMENT HISTORY

Nov 2022 – Present   **Associate Backend Developer, Busy Bee Technologies**

I leveraged my expertise in PHP and Laravel to develop and maintain high-quality web applications for a variety of clients. Working closely with the development team, I was responsible for implementing and maintaining backend systems, ensuring their stability and security.

One of my notable achievements was leading the development of a custom e-commerce platform for a client, which involved integrating with various payment gateways, building a secure and scalable architecture, and implementing a user-friendly interface.

Aug 2022 – Nov 2022   **PHP & Laravel Intern, Busy Bee Technologies**

Gained hands-on experience in developing and maintaining web applications using a variety of technologies. During my internship, I honed my skills in HTML, CSS, Bootstrap, JavaScript, jQuery, PHP, and Laravel, and applied these skills to several real-time corporate projects.

One of my most notable projects was the development of a custom CRM system for a client, which involved working with Laravel to create a user-friendly interface and ensuring the system was secure and scalable.

SKILLS & EXPERTISE

- **PHP –** Experienced
- **Laravel –** Experienced
- **MySQL –** Experienced
- **JavaScript –** Skillful
- **jQuery –** Skillful
- **React JS –** Beginner
- **Git –** Beginner

and much more.

EDUCATION

2019 – Present **BS Computer Science, Lahore Garrison University**

- Listed in Dean's Honor List, recognizing academic excellence.
- Maintaining 3.58 CGPA, demonstrating strong academic performance.

In addition to my academic pursuits, I have also been actively involved in extracurricular activities. I am a former best debater for my university, having won several debates and representing the institution in various competitions. I also served as the Vice President of the Debating Society, contributing to the growth and success of the university debating society.

Furthermore, I have represented my university in several Model United Nations (MUN), showcasing my leadership and public speaking skills. These experiences have helped me to develop well-rounded skill set.

2017 – 2019 **Fsc. Pre-Engineering, PAF Cadet College Sargodha**

- Graduated with a Badge of Excellence, demonstrating exceptional curricular and extra-curricular performance.
- Achieved an overall A+ grade in Board examination, demonstrating strong academic knowledge and skills in curriculum.

In addition to strong academic record, I graduated with active participation in sports, Basic Flying Training, Weapons handling (best marksman), and debates. Developed teamwork, leadership, public speaking skills, and broad knowledge.
